

AuditWatch and TaxWatch

NEW THIS YEAR!

Instead of printed binders our seminars will be structured using interactive electronic materials.

WHAT
DOES THIS
MEAN FOR
YOU?

A LAPTOP COMPUTER with the electronic course materials downloaded prior to class is required for seminar participation.

- The week before class, you will receive an email with instructions for downloading the electronic materials.
- Microsoft Word[®], Microsoft Excel[®], and Adobe Reader[®] should be installed on your laptop computer.
- Before you arrive for class please be sure all of the electronic course materials are downloaded to your laptop computer. Further instructions on what to do with the materials will be given the first day of class.
- If you have trouble downloading course materials or have any questions, please email checkpointlearning.livetraining@tr.com.
